

### Size charts

The following size charts are to fit actual body measurements. Please consider that the sizes illustrated are for our range of leisure shirts in a standard fit, if you prefer a looser fit you may want to order one size larger. Our Technical Shirts come up one size larger for an active fit. If you are unsure about sizing and would like peace of mind, please ring one of our sales team on 01323 638714 and they will be happy to help with your query.

Remember our minimum order quantity is just 15 and can incorporate the whole range of MKK sizes. Sizes 2XS and smaller are exempt of VAT.
